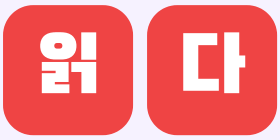
4BLOCKS KOREAN

Name: _____

다 Challenge #2
Worksheet



읽다 = to read [익따]

Both blocks are red: it is all one verb. The first block 읽 (the stem) never changes.

Take off 다 and snap on a new ending: 1 verb, 5 forms!

1 Fill in the 읽다 chart

Endings: 어요 | 었어요 | 안 … 어요 | 어요? | 자

Form	Meaning	Write it in Korean
present	(I) read	
past	(I) read (past)	
negative	(I) don't read	
question	Do (you) read?	
let's	Let's read!	

Say each one out loud as you write it. Then try all five in 5 seconds, like in the video!

2 Color the blocks

Color the stem and the ending **red** (both are the verb) and **안** yellow.

stem 읽 ending (다, 어요 ...) 안

읽	다	dictionary form
읽	어요	present
읽	었어요	past
안	읽	어요	negative
읽	자	let's

3 Match the spelling to the sound (draw a line)

읽 has two final consonants (ㄹ + ㄱ). **Before a consonant** you hear ㄱ. **Before a vowel** ㄹ stays and ㄱ slides over.

읽다 ●	● [일거써요]
읽어요 ●	● [익짜]
읽자 ●	● [아닐거요]
읽었어요 ●	● [익따]
안 읽어요 ●	● [일거요]

4 Read the English, write the Korean

Korean usually drops “I” and “you”, so you don't need to write them. Words: 책 = book · 어제 = yesterday · 같이 = together

1. (I) read a book. → 책 _____

2. (I) read a book yesterday. → 어제 책 _____

3. (I) don't read. → _____

4. Do (you) read a book? → 책 _____

5. Let's read together! (casual) → 같이 _____

5 Review: the same chart with 먹다 (to eat)

Same endings, different stem block. Fill in the 먹다 row.

	present	past	negative	question	let's
읽다	읽어요	읽었어요	안 읽어요	읽어요?	읽자
먹다

6 Make your own sentences

Words: 책 (book) 만화 (comic) 뉴스 (news) 밥 (meal) 어제 (yesterday)

Example: 어제 만화 읽었어요. = (I) read a comic yesterday. Use 읽다 or 먹다. Write 4 sentences, then the English.

Say it with a friend! A asks **책 읽어요?** B answers **네, 읽어요.** or **아니요, 안 읽어요.** Then swap. Remember the sounds: [일거요] · [아닐거요].
