4BLOCKS KOREAN

Name: _____

다 Challenge #4
Worksheet

볶다 = to stir-fry

Drop 다 and add 음, 기 or 는 것.

The verb becomes a **noun**! 볶음밥 = 볶음 + 밥 (fried rice)

1 Fill in the 볶다 noun chart

Words: 볶음 | 볶기 | 볶는 것

Add	Meaning	Write it in Korean
볶 + 음	a stir-fry (the dish)	
볶 + 기	stir-frying (the activity)	
볶 + 는 것	stir-frying / what you stir-fry	

Say each one out loud: [보끔] · [복끼] · [봉는 걷]

2 Trace the new words

볶 음 볶 기 볶 는 것

3 Color the blocks

verb = red noun chunk = blue

볶 다	to stir-fry
볶 음	a stir-fry
볶 기	stir-frying
볶는 것	what you stir-fry

Tip: 볶 is part of the verb, so in 볶다 both blocks are red. Once 음, 기 or 는 것 joins, the whole word is one noun chunk: color every block of it blue.

4 Menu match: draw a line

볶음밥	stir-fried pork
김치볶음밥	fried rice
제육볶음	stir-fried anchovies
멸치볶음	kimchi fried rice

Find the hidden verb: circle 볶음 in every menu word.

5 Same trick, other verbs

After a consonant: + 음 (웃 → 웃음). After a vowel: + ㅁ (그리 → 그림). + 기 works after both.

Verb	Add	Noun	Meaning
볶다	음	볶음	a stir-fry
먹다	기		eating
그리다	ㅁ		a drawing
자다	ㅁ		sleep
웃다	음		a laugh
읽다	기		reading

6 Write it in Korean

a. fried rice → _____

b. (It's) easy to stir-fry. → _____ 쉬워요.

c. (I) like stir-frying. → _____을 좋아해요.

7 10-question test
