3D Walk #1 · Seoul
Gwanghwamun → Gyeongbokgung

궁

궁 (gung) = palace

Today we walk from **광화문 광장** (Gwanghwamun Square) into **경복궁** (Gyeongbokgung Palace).

Every few minutes the smart-glasses HUD shows **one Korean word**. 17 words in all!

1 Write the meaning of each word from the walk

Word	Sound	Meaning	Word	Meaning
광장	gwang-jang	square	다리	
동상			마당	
왕			지붕	
한글			길	
문			연못	
궁			기둥	
한복			산	

Bonus words: 일 (work) · 불 (fire) · 걷다 (to walk)

2 Match the word to the picture idea (draw a line)

연못 ●	● a big open place for people in a city
기둥 ●	● the top of a building
지붕 ●	● a small lake in a garden
광장 ●	● you walk over it to cross water
다리 ●	● a tall post that holds a building up
동상 ●	● a big metal or stone person
문 ●	● you walk through it to go in

3 Put the walk in order (write the Korean word)

연못 광장 궁 문

START → ☐ → ☐ → ☐ → ☐ → FINISH

Hint: square → gate → palace → pond

4 Numbers from the walk (circle the right one)

1. 경복궁 was first built in 1395 / 1995
2. It was rebuilt in 1592 / 1867
3. 경회루 stands on 18 / 48 stone pillars (기둥)
4. Wear a 한복 and the ticket is ₩3,000 / free
